Correct stationery for an individual or for business firms is as important in making character as the apparel one wears. There are places for silk hats and there are places for overalls. So it is in the layout, selection of type and the grade of paper used in producing correctly printed matter. Printing is our business. Our experience is at your disposal in creating the proper type of business or personal stationery or other printed matter. Our prices are most reasonable and we give prompt printing service. Phone 509 and we will call.

OF CANADA LIMITED

This announcement, which greets motorists entering Oshawa, serves a two-fold purpose. It is a friendly reminder to our guests that they are about to visit Canada's Motor City, the site of Canada's greatest automobile factory. It is also a friendly reminder to you, the people of Oshawa, of the pride that General Motors takes in its "home town".

In the future, as Canada's Motor City steadily expands its borders — as Canadian buyers continue to express their preference for General Motors products — we feel confident of many years of gratifying progress together.

# ALL-STAR AUTOMOBILE VALUES

**T**HE overwhelming preference of Canadian buyers for General Motors products is based on the fact that each car and truck is a "star" in its own right—each is a leading value in its particular price field . . . . Some of the well-known "All-Star" features which are winning more and more friends for General Motors products are: Solid Steel "Turret-Top" Bodies by Fisher; No-Draft Ventilation; Improved Hydraulic Brakes; and the Knee-Action Gliding Ride.

In whatever price field you are interested, you will find the utmost in dependability and satisfying performance in the "All-Star" family of General Motors cars and trucks. You know them of course. Chevrolet, Pontiac, Oldsmobile, McLaughlin-Buick, La Salle, Cadillac—and in the truck field, Chevrolet, Maple Leaf and GMC Trucks. For your convenience when buying, the low cost General Motors Instalment Plan offers you monthly payments to suit your pocket-book.

## OUR PRINTING PLANT.

It is one of the most up-to-date in Ontario. We have added the latest model  
 of automatic (self feeding) press, which will not only hasten the delivery  
 of work, but help to reduce the cost of production. It is better to get your  
 printing from us than to wish you had.
